

BIG DEALS ON BIG PLATFORMS

BECAUSE SIZE DOES MATTER...

2019 EARLY ORDER PROGRAM NOW OPEN!

With over 20 years experience, family owned and operated Midwest Fabrication proudly offers a range of Durus Draper Platforms packed with the reliability, durability and convenience you've come to expect from Midwest.

Designed and manufactured in Australia for our tough harvesting conditions, our harvest platforms integrate seamlessly to ALL major combine harvesters ensuring you harvest more crop, saving you time and money.

ORDER BY 28 FEB 2019

FREE*
DRAPER TRANSPORTER

*The free Transporter will be the same size as the platform ordered including a 40mm ring feeder tow eye, mud guards, 850mm ball-race turntable, jockey wheel, oversize sign, marine grade 2 Pac paint finish, LED lights and revolving beacon. Customers are welcome to add extra options to the transporter such as brakes, spare tyres and toolboxes at an additional charge.

If you are looking for less downtime, superior crop feeding and better ground following without electronics, contact Peter Welsh on 0429 622 137 today to discuss **NO DEPOSIT** ordering.
